Re: Safety Light Corporation Site

Dear Sir,

We reviewed your letter regarding the Safety Light Corporation.

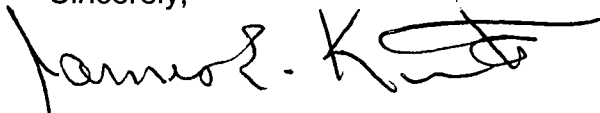

I do not recognize the name Safety Light and am sure H. S. Martin was not involved with radioactive waste after 1968. I should also say I'm not aware of them ever having any contact with radioactive waste prior to 1968. H. S. Martin was purchased by the Kontes Glass Co. in 1968. Prior to 1968 H. S. Martin was owned by Howard Martin from Illinois. Howard passed away around 1978 or so.

H. S. Martin was moved to Vineland New Jersey approximately 1979 and is of course still here.

Currently our purchasing records go back approximately five years.

I wish we could provide a more complete response, but to the best of my knowledge H.S. Martin since 1968 has not had any association with radioactive material or Safety Light Corporation.

Sincerely,

James E. Kontes, General manager
